If you have a loan outstanding and your share balance is greater than your loan balance then you may only withdraw shares (savings) down to the level of the loan.

Please assist us if we make any enquiries. It will be for your protection to prevent fraud.

We will make payment as soon as possible. The money will be transferred directly into your bank account using the Bank sort code and Account number that we have on record. Please advise us below if these details have changed or if we do not have them. Alternatively, payment will be made by cheque payable to the Account holder.

Bank sort code: ___ - ___ - ___ Account no: _____
